Re: Point of Order

Dear President Swett,

I am 'raising a question of order' because I believe that the Salt Lake City Board of Education Agenda dated January 8, 2013 is out of compliance with current state Law. I ask that you consider my "Point of Order" and rule that the wording of the agenda be changed appropriately.

Item #2 on the agenda states: "Judge Andrew Valdez, Third District Juvenile Court will administer the Oath of Office to, Tiffany Sandberg, **Precinct 1**; Michael Clara, **Precinct 2**; Heather Bennett, **Precinct 5**; and Kristi Swett, **Precinct 7**. (Term of office January 2013 - December 2016)"

I was elected to represent **DISTRICT 2** (see attached map) not just Precinct 2.

Voting Precinct 2 is one of 11 voting precincts in my 'school board district'.

UTAH ELECTION CODE:

20A-5-303. Establishing, dividing, abolishing, and changing voting precincts -- Common polling places -- Combined voting precincts.

- (1) (a) After receiving recommendations from the county clerk, the county legislative body may establish, divide, abolish, and change **voting precincts**.
- (2) (a) The county legislative body shall alter or divide voting precincts so that each **voting precinct contains not more than 1,250 active voters**.

20A-14-201. Boards of education -- School board districts -- Creation -- Reapportionment.

- (1) (a) The county legislative body, for local school districts whose boundaries encompass more than a single municipality, and the municipal legislative body, for school districts contained completely within a municipality, **shall divide the local school district into local school board districts** as required under Subsection 20A-14-202(1)(a).

"Local school boards are the bedrock of our society, yet they are invisible to the public"
