Mr. Clara:

When someone responds to an RFP, they are not required to fill out the form that we provided you a copy of. They are required to answer the questions in the RFP and provide it to us. None of the companies who provided bids to us for this RFP filled out the form. All of the companies provided a packet of information in response to the RFP.

As I stated in the email I just sent you, the RFP materials we received from the company who was awarded the contract are contained in a three ring binder and is very large. If you would like to come to the district and review the materials, we would be happy to make it available for you. If there is a specific page of the RFP you are looking for, we could copy that page for you. What exactly are you looking for?

Janet

Janet,

I'm asking for a copy of the document you sent me, that has the signature and date on it. The one you sent me is blank and does not display any information.

If it is too difficult for you to fulfill that simple request, I can submit a GRAMA request.

Your continued display of disrespect for the office that I hold is getting old.

Shalom,

Michael Clára

Janet,

This appears to be a blank form. Can you please provide me a copy of the signed and dated one, with the company that was awarded the contract ?

We do not have a contract with My Payments Plus. The Request for Proposal is attached that outlines our terms with them. (Page 4 – 2.10 to 2.13).
