Re: GRAMA Request to Salt Lake City School District Dated 4/29/2015

Dear Board Member Clára:

Salt Lake City School District ("District") received your GRAMA request for a copy of:

1. "all records in reference to the deployment of Salt Lake City Police and their subsequent removal from the Board of Education meeting,"
2. "all information pertaining to the district's decision to secure the services of Kane Consulting,"
3. "any and all information that references me in any way,"
4. "all communications between members of the Board of Education, employees of the Salt Lake City School District and Salt Lake City personnel and elected officials of the City," and
5. "all communications between District personnel and Kane Consulting."

The District's response to your requests are as follows:

1. There are no documents responsive to your first request.
2. Included is the document fully responsive to your second request.
3. We've taken your third request to mean references to you in records relating to Kane Consulting, the Salt Lake City Police Department, and/or security at board meetings. Given that interpretation, there are no documents responsive to your third request.
4. Similarly, we've taken your fourth request to mean communications between the Board of Education, District employees, Salt Lake City personnel, and city elected officials, relating to Kane Consulting, the Salt Lake City Police Department, and/or security at board meetings. Given that interpretation, there are no documents responsive to your fourth request.
5. The document responsive to request #2 is also fully responsive to request #5.

Records that have not been provided are protected pursuant to Utah Code Ann. §63G-2-305(17) because the records are subject to attorney client privilege, and/or are irrelevant to your GRAMA request, including any email exchanges or attachments of which you were a sender or recipient.

Pursuant to District Policy C-7, Records Management, and its corresponding administrative procedures, you have a right to appeal this decision to the district's chief administrative officer, Janet Roberts. Any such appeal must be filed within thirty (30) days from the date of this letter. An appeal must be initiated by filing a Notice of Appeal, and include the appellant's name, mailing address, daytime telephone number and the requested relief. Additional information such as a statement of facts, the basis for appeal, and any supporting legal authority may also be included in your appeal. Please contact me if you have any questions regarding this response.
